

F.A.Q.

What does the Chamber actually do?

The Chamber organizes several community events each year including Yates Center Day, Woodson County Fall Festival and Chili Cook-Off, Merchants' Holiday Open House and Soup Supper, Adopt-a-Child and the Cantata Soup Supper.

The Chamber promotes our members' businesses. We also attend state-wide and regional meetings in an effort to promote tourism and the economic growth of Woodson County and its communities.

How much will I have to help?

How involved you are is up to you. This organization would not be successful without our many wonderful volunteers. We realize that everyone has other obligations and may not have time to help with our numerous events.

What do I get for being a member?

A list of member benefits can be found on the inside of this brochure. We hope the most compelling reason to join to show your community support and to let the consumers know that you are willing to invest back into our community.

F.A.Q.

*Woodson County Courthouse
Architect: George Washburn*

Membership Benefits

The Woodson County Chamber of Commerce represents all of Woodson county. We are funded by Woodson County, the City of Yates Center, and our membership.

Through our funding from the government entities we promote tourism and economic development of the county and its communities of Piqua, Neosho Falls, Toronto and Yates Center.

Members of the Chamber are well represented at numerous events throughout the state of Kansas by this office. By joining the Chamber you are showing that you have a vested interest in our communities.

Chili Tasters braving the cold for the 2009 Fall Festival and Chili Cook Off
